

WPIL ENVIRONMENT HEALTH AND SAFETY POLICY

OUR COMMITMENT

WPIL Limited is committed to maintain culture for safe atmosphere preventing harm to people and the environment.

OUR ACTION

The Company will:

1. Integrate environment, health and safety management requirements into the way we work and ensure that we comply with all relevant environmental, health and safety laws
2. Include environmental, health and safety considerations in business planning, decision making and asset management processes
3. Identify, effectively control, monitor and ensure awareness of risks that have the potential for serious harm to people and the environment
4. Lead a strong and consistent environment, health and safety culture across all aspects of business
5. Work proactively and collaboratively with our stakeholders and the communities in which we operate
6. Set, measure, review and monitor objectives and targets to demonstrate proactive processes in place to continuously reduce the risk of harm to people and the environment
7. Report publicly on our environmental health and safety performance

Governance

The Board of Directors of the Company is responsible for reviewing the effectiveness of the Environment, Health and safety policy. This policy will be reviewed at appropriate intervals and revised as and when considered expedient. .
