Statement pursuant to Section 102(1) of the Companies Act, 2013.**RESOLUTION AT ITEM NO. 5**

The Companies Act, 2013 has made major changes over the provisions of Companies Act, 1956. It has therefore become necessary to adopt a new set of Articles of Association in place of old one to accommodate required clauses in conformity with the provisions of Companies Act, 2013.

The draft copy of the Articles of Association is available for inspection at the Registered Office of the Company during business hours on any working day.

None of the Directors/Key Managerial Personnel of the Company/their relatives are in any way concerned or interested in these resolutions except as Shareholder of the Company. The Board commends the Special Resolution for approval by the Shareholders. The passing of the aforesaid resolutions also do not relate to or affect any other Company.

RESOLUTION AT ITEM NO. 6

The Board of Directors of the Company at their meeting held on 31st March, 2015, appointed Mrs. Ritu Agarwal as an Additional Director of the Company to hold office only up to the date of Sixty First Annual General Meeting of the Company pursuant to the provisions of Section 161 of the Companies Act, 2013, read with the provisions of Article 123 of the Articles of Association of the Company, as amended.

In terms of provisions of Section 149(1) of the Companies Act, 2013, and subject to the Rule 3 of Companies (Appointment and Qualification of Directors) Rules, 2014, it is mandatory for a Company to have at least one woman Director on its Board. The Board of Directors of the Company had appointed Mrs. Ritu Agarwal to secure the Compliance with the relevant provisions of the Companies Act, 2013 as well. Besides Board is of opinion that it would be in the interest of the Company to appoint Mrs. Ritu Agarwal as a Director of the Company and the resolution under the item No. 6 has been proposed to this end. The Board commends the Ordinary Resolution to Members for acceptance.

Mrs. Ritu Agarwal, not being a retiring Director in terms of Section 152 of the Companies Act, 2013, her name has been proposed by a Member along with a deposit of Rs. 1 lakh as provided under the provisions of Section 160 of the Companies Act, 2013.

Mrs. Ritu Agarwal, Mr. Prakash Agarwal and Mr. V. N. Agarwal should be deemed concerned or interested in the Resolution. No other Director/Key Managerial Personnel or any relative of the Directors or the Key Managerial Personnel have any concern or interest in the aforesaid Resolution. The passing of the aforesaid resolution also does not relate to or affect any other Company.

OPERATIONS

DOMESTIC

The operations of the Company were adversely affected by the poor environment in the infrastructure and capital goods sectors. Government investment in the Irrigation and municipal sectors were affected due to elections and Govt. change and private sector investment by poor demand scenario. There was a large amount of uncertainty regarding project execution and a slowdown in new project enquiries.

Performance across divisions was subdued and the domestic business had a 10% drop in revenues. The second half of the year saw some improvement in demand and hence going forward the order book is robust. The company expects business to rebound sharply next year. On a positive note the business saw an improvement in margins and reduction in interest outgo helping maintain profitability in line with the previous year.

The Company continues to expand its product portfolio and market infrastructure across the spectrum of water management and is now well positioned in the power, municipal, irrigation and industrial sectors. Its focus on new product development and manufacturing infrastructure has allowed it to surpass customer expectation with regards to quality and delivery. Further its acquisition of new technologies continues to open up new opportunities.

INTERNATIONAL

The International operations of the company were also affected by adverse conditions, drastic strengthening of the US dollar led to market currency losses on the outstanding loans and a steep drop in crude prices led to production cutbacks and hence lower demand in the sector. Besides these two events business was stable with improvement in our Australian business. The next year looks promising as these factors are reversed.

DIVIDEND

After considering the performance of the year, cash flow, increased share capital and necessity to augment its working capital to sustain the growth of activities in the coming year, the Directors of the Company are pleased to recommend dividend of two rupees per share for the year ended 31st March, 2015.

The Dividend, if approved at the forthcoming Annual General Meeting, will be paid to those shareholders whose names are registered at the close of the business on 3rd August, 2015 or to their mandates subject however, to the provisions of Section 126 of the Companies Act, 2013.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

As required by the Clause 49 of the Listing Agreement with the Stock Exchanges, the Management Discussion and Analysis Report for the year under review is appended below:

A. BUSINESS

The company is engaged in the business of fluid handling – from supply of pumps to turnkey project execution. It supplies a comprehensive range of pumps to the Industrial, Municipal, Irrigation and Power sectors. The company also has a strong project division which undertakes water management contracts in the above sectors.

B. BUSINESS ENVIRONMENT

The domestic market in 2014-15 continued to face headwinds due to policy issues and this led to a slowdown in the infrastructure and capital goods sectors. Further due to issues such as coal block and bank non-performing loans issue, private sector investment was sluggish. With clarity emerging on both fronts, planning on new projects have been initiated and we expect a robust environment for the Company in the near term.

C. OPERATIONAL REVIEW

DOMESTIC OPERATIONS

The domestic operations were affected by the economic environment and slowdown in the capital goods sector. Revenues were lower by 10 % however, based on operational efficiency, improvement in margins allowed profitability to be in line with the previous year. Dispatches of pumps were in line with previous year but project billing was reduced due to delays at client end. On opposite note exports were higher at Rs. 50 Crores.

Engineered Pump Division

The division had an average year wherein dispatches were lower but with good order intake, the division is well placed for the next year. Investments in infrastructure have created sufficient capacity to take advantage of an economic upturn.

The Nagpur facility is fully operational and the test facility –1 planned to be completed this financial year.

Standard Pump Division

Throughout the year, the division developed and strengthened its product lines to cover all applications in the water sector. Its comprehensive products range makes it a very strong player in the business allowing it to cater to changes in sectoral performance. The performance was in line with the previous year however, it would be a major beneficiary of Govt. focus on municipal sector and Swachh Bharat programme.

Infrastructure Division

The division continued its focus on completing old projects resulting in release of contractual liabilities and positive goodwill creation. Most of the older projects are complete and the Company is now looking aggressively at rebuilding its order book in line with market recovery.

INTERNATIONAL OPERATIONS

The International business was in line with the previous year. However exchange losses and steep drop in crude oil prices affected the business.

The South African business was affected by a strike in South Africa in the 1st Quarter. However, operations picked up to close in line with the previous year. Profitability was affected by exchange losses. However, the business continues to grow to new markets in Africa and expand its client base.

Mathers Foundry started the year well with good profitability however, was affected by the steep fall in crude oil prices. The immediate production cuts led to disruption across the sector and Mathers order book was affected. However, the sector is stabilizing with manufacturers actually increasing production and the order book is recovering. Mathers should perform well this year.

Sterling Pumps had a good year with an increase in both sales and profitability. With a dominant market position, the Company should continue to perform well.

WPIL Thailand had a good year with growth in sales. With the present Government increasing allocation on infrastructure the Company performance should improve in the next year.

Indian Subsidiary

Mody Pumps were also affected by the slowdown in infrastructure projects with reduced demand for dewatering pumps. However, intensive new products development and improved marketing set up should increase business in 2015-16.

Clyde India Pvt. Ltd.

Our JV with Clyde Pumps had a good year with increased sales and profitability. The Management continues to build its Oil & Gas offering. The business outlook is robust with good export orders.

D. FUTURE OUTLOOK

The outlook is very promising with increasing market share and product diversification backed by new Government initiatives for Municipal and Irrigation Sectors. The business is looking at good growth over the medium term based on release of the pent up demand. The Company has a strong International business which enables exports as well as taps market potential in other regions and products.

E. OPPORTUNITIES AND THREATS, RISKS AND CONCERNS

WPIL has established a strong diversified business across products and regions in the fluid handling space. The sector has been growing annually at 6/7 %. A large number of its businesses are in the development phase with good potential for growth. A strong product portfolio combined with growing market access provides tremendous opportunities in the future.

The biggest concern remains geo political risks such as major currency fluctuation, political stability and commodity price swings. The Company is putting in place policies to minimize impact in such scenarios.

F. INTERNAL CONTROL SYSTEM

PARTICULARS OF DISCLOSURE UNDER RULE 8 OF THE COMPANIES (ACCOUNTS) RULES, 2014.
A) CONSERVATION OF ENERGY

Following measures were adopted during the year for conservation of energy. The impact of the above measures have the effect of reduction of energy consumption leading to saving of energy cost by Rs. 1,500/- per month.

AT PANIHATI

- Re-arrangement of officer's seating arrangement to achieve optimum usage of electrical illumination and air-conditioning appliances.
- Replacement of in-efficient Air-conditioners with efficient Air-conditioners.
- Regular maintenance of Air Conditioners.

AT GHAZIABAD PLANT**Conservation Of Energy**

Improvement in melting system has brought down power consumption from 625KW/MT to 608 KW/MT. Further improvement is planned to bring it down to 585 KW/MT. 1700 KW energy is saved per month & plan to achieve further saving of 2300KW per month in next 6 months by improving melting system.

20 nos solar powered street lights are ordered & will be installed by July 2015. This will save 900 KW of Grid power every month. Current average cost of power works out to be Rs. 8 per KW.

B) RESEARCH & DEVELOPMENT (R&D)

Following are the specific areas in which R&D activities have been carried out by the Company during the year under review.

AT PANIHATI PLANT**New Pump Models/Components Developed:**

- High efficiency vertical Turbine Pumps of mixed flow type (specific speed 4000 to 4400 US NS) of design flow range 20000 to 23000 M³ per hr and head range 28 M to 30 M
- New tilting pad type thrust bearing housing design developed for 45000 Kg Axial Thrust for Large VT Pump application.

New processes developed

In-house software developed to improve the design process for

- New hydraulic design development by model-prototype simulation with Visual Basic application and prediction of pump performance
- 3-D Modeling of pump fabricated components for design optimization and value engineering.

AT GHAZIABAD PLANT

Following are the specific areas in which Design & Manufacturing facility development has been carried out by the Company during the year under review.

10 WLR 12, 8 LN 21, 6 WLN21, 5 WLR12, 5 WLR 10, 4U22B, are the new HSC models developed & supplied.

Ash Slurry Handling Pumps

Special double casing pumps to handle ash slurry in thermal power plants with hardness of more than 550 BHN were designed, manufactured & supplied. The two models developed are 200 DS 552 & 250 DS 401.

WPIL

These pumps are successfully commissioned and are running properly.

HORZ MUTISTAGE PUMP- WXH

5 Horizontal Pump models developed, tested and supplied as per following:

- WXH30-32/135 (WKLN-32)
- WXH30-40/135 (WKLN-40)
- WXH30-65/185 (WKLN-65)
- WXH30-80/210 (WKLN-80)
- WXH30-100/240 (WKLN-100)

(C) TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATION

- CFD (Computational Fluid Dynamics) laboratory fully established in R&D department. Internationally acclaimed CFD software ANSYS CFX has been installed. The centre is regularly conducting Flow Pattern Analysis for Pump Sumps to ensure smooth functioning of the pump. The centre has also started analysis of flow through pump hydraulic passages for pump efficiency enhancement.

FUTURE PLAN OF ACTION

AT PANIHATI PLANT

- Installation of state-of-the-art Ultrasonic flow measurement facility with computer based data acquisition at pump test laboratory.
- New design and development of high performance models for addition to HSC pump range.
- New machines to be added to enhance manufacturing capability of horizontal pumps.
- Re-engineering of plant layout for machining and assembly of pumps to enhance productivity.
- Addition of standard products in horizontal range of pumps.
- Certification of QHSAS 18001 for occupational health & safety.

AT GHAZIABAD PLANT

New high sp. Speed split casing pump model 36WLN 33 is under development. The model test is already conducted & patterns are under manufacturing for Duplex steel castings.

Following multistage pumps are under development:-

- WXH 50/160
- WXH 150/300

This will complete our standard 30 bar rating horizontal multistage range.

BIS & BEE -5 star rated pumps.

We have undertaken new series of Submersible motors & pumps from 10 HP to 40 HP for BIS marking & 5 Star BEE mark.

TRAINING

- In-house training on “3-Dimensional modeling of Vertical Turbine Pump Components”. Four R&D personnel attended the course.
- R&D engineers attended in-house workshop with live demonstration on installation and performance testing of “High-head horizontal centrifugal Pumps” at newly established high-head horizontal pump test facility.
- Training by internal & external faculty on enhancement of brand equity, environment protection, team work, health & safety, 5S are being regularly organized.
- Induction of new professionals in upper management vacant approved positions in Manufacturing, Marketing, Purchase, Maintenance & EHS was completed.

CONTINUOUS IMPROVEMENT

FOCUS ON PUMP PERFORMANCE:

- Continuous review and analysis of past and present pump performance test results. Corrective and preventive measures are being taken regularly.
- Various aspects of impeller finishing are being explored by finishing of impellers and recording test results of the pumps with that finish. This is helping accumulation of large data which will help to achieve the desired performance of pumps.
- New design and development of high performance models for addition to HSC pump range.
- Re-engineering of plant layout for machining and assembly of pumps to enhance productivity. Increase in in-house capabilities by addition of new machines like CNC turning centre, milling, cylindrical grinding lapping & shaft straightening are to be commissioned by July, 2015.
- PMI of all alloyed materials like duplex, stainless steels & bronzes is implemented.
- State of art FARO 7 axis 6 arm measuring equipment is ordered & expected by June, 2015.
- MS_NAV ERP system live implementation training has started.
- Foundry – steel castings project is initiated & process from regulatory approvals from PCB started.

- Addition of standard products in horizontal range of pumps.

VALUE ENGINEERING:

- Value engineering and performance improvement of Horizontal Pumps and development of investment cast impellers of Horizontal pumps is continual process and a saving of Rs. 1 lac was achieved during the year by new developments.
- New 8” submersible overload motors for CESPO designed, developed and supplied in new design with substantial cost savings of Rs. 3 lakh and better performance.

STANDARISATION

- Standardisation of Vertical turbine pump components and Horizontal pump components with focus on reduction of size and configuration variation. Overall goal is to reduce pump delivery time. The design standardization of pump components on shaft size basis is complete and has substantially improved on delivery of horizontal pumps. The design standardization of line shaft bronze bearings materials for VT pumps has reduced the cost, improved quality & delivery & PMI issues. Now standardization of vertical pump column assemblies is under progress.

QUALITY SYSTEM

- Awareness training conducted for Kolkata operation plants implementation of EMS ISO:14001.
- Certification of pump models for Fire Fighting by UL-Listing, our 2 models 4U18 & 6 U18 are now UL listed.
- Certification of QHSAS 18001 for occupational health & safety by TUV Nord, beside recertification of ISO 14001 & surveillance audit for ISO 9001 completed successfully for Ghaziabad plant.
- CE-marking process for our submersible, horizontal & VT pumps of Ghaziabad range pumps started & expected to get approval by June, 2015.

Particulars of Employee and Related Disclosures.

(a) The Ratio of remuneration of each Director to the Median remuneration of Employees of the Company for the financial year:

Sl.No.	Name	Designation	Remuneration Paid FY 2014-15 (Rs.in lakhs)	Ratio/Times per Median of employee remuneration for the financial year 2014-15
1.	Mr. Prakash Agarwal	Managing Director	55.96	5.2
2.	Mr. K. K. Ganeriwala	Executive Director	45.69	4.2

The Non-Executive Directors receive remuneration towards sitting fees for attending Board and Committee Meetings besides commission on a percentage of profit. Such remuneration payable to each of the Non-Executive Directors for the financial year was lower than the median remuneration of employees of the year.

(b) The percentage increase in remuneration of each Director, Chief Financial Officer, Chief Executive Officer and Company Secretary in the financial year:-

Sl.No.	Name	Designation	Remuneration Paid FY 2014-15 (Rs. in lakhs)	Remuneration Paid FY 2013-14 (Rs. in lakhs)	Increase in remuneration from previous year (Rs. in lakhs)

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

1 BASIS OF PRESENTATION

The Financial Statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP). The Company has prepared Financial Statements to comply in all material respects with the Accounting Standards, notified under Section 133 of the Companies Act, 2013 read together with Paragraph 7 of the Companies (Accounts) Rules, 2014.

2 SIGNIFICANT ACCOUNTING POLICIES

a) ACCOUNTING CONVENTIONS

The Financial Statements are prepared in accordance with historical cost convention, modified by revaluation of certain fixed assets.

b) FIXED ASSETS AND DEPRECIATION

Fixed Assets are stated at cost except for certain assets which were revalued and shown at valuation as per Valuer's Certificate.

Cost includes inward freight, duties, taxes and expenses incidental to acquisition and installation. In respect of self-constructed fixed assets, cost includes value of materials, labour and proportionate allocable overheads.

In respect of revalued assets the difference between written down value of assets and its valuation is transferred to Revaluation Reserve.

No depreciation is provided on Freehold Land. Value of Leasehold Land is amortized over the period of lease.

With the Companies Act, 2013 ("the Act") coming into force with effect from 1st April, 2014, the Company has adopted Schedule II of the Act for depreciation accounting. It has used transitional provisions of Schedule II to adjust the impact of component accounting arising on its first application. If a component has zero remaining useful life on the date of Schedule II becoming effective, i.e. on 1st April, 2014, then its carrying amount after retaining its residual value is adjusted to the opening balance of the retained earnings. The carrying amount of other components, i.e. the components whose useful life is not over as at 1st April, 2014, is depreciated over the remaining useful life after retaining its residual value.

Re-estimation of useful life of fixed assets resulted in adjustment of Rs 9,37,247/- in the opening balance of retained earnings, accounted in accordance with the transitional provisions specified in Schedule II of the Act. Had the Company continued to use the earlier policy of depreciating fixed assets, the profit for the current year would have been higher by Rs. 39,60,321/-, retained earnings at the beginning of the year would have been higher by Rs. 9,37,247/- and fixed assets would correspondingly have been higher by Rs. 50,84,329/-.

Subject to aforementioned changes, the accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

Depreciation on differential increase in values arising out of revaluation is recouped from Revaluation Reserve.

c) IMPAIRMENT OF ASSETS

The Company identifies impairable assets at the year end in accordance with the guiding principles of Accounting Standard - 28, issued by the Institute of Chartered Accountants of India, for the purpose of arriving at impairment loss thereon, being the difference in the book value and the recoverable value of the relevant assets. Impairment loss, when crystallises, are charged against revenues for the year.

d) INVESTMENTS

Non-Current Investments are stated at cost unless there is a permanent diminution in value.

e) INVENTORIES

Finished Goods and Components are valued at cost (Net of CENVAT Credit) or net realizable value, whichever is lower.

Other inventories are valued at cost or net realizable value, whichever is lower.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH, 2015 (contd.)**

Cost is determined on weighted average basis and includes expenditure incurred in the normal course of business in bringing stocks and finished goods to their location and condition including appropriate overheads wherever applicable.

Cost of own manufactured components is determined by considering raw material cost and proportionate share of labour and overheads.

Cost of Work-in-Progress is determined by considering raw material cost plus labour and overheads apportioned on an estimated basis depending upon the stages of completion.

f) RESEARCH & DEVELOPMENT EXPENSES

Revenue Expenditure on Research and Development are charged to the Statement of Profit and Loss of the year in which it is incurred. Capital Expenditure is considered as addition to Fixed Assets and depreciated as stated above.

g) FOREIGN CURRENCY TRANSACTIONS

i) Transactions in foreign currencies are recorded in rupees by applying the rate of exchange ruling on the date of the transaction.

ii) Monetary items denominated in foreign currencies at the year end are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognised as exchange difference and the premium paid on forward contracts is recognised over the life of the contract.

iii) Non-monetary foreign currency items are carried at cost.

iv) Gain or Loss on settled transactions are recognized in the Statement of Profit and Loss except for purchase of fixed assets which are adjusted to carrying amount of fixed assets. Unsettled transactions as at the year end are translated at the closing rate and the gain or loss is recognized in the Statement of Profit and Loss except for liabilities incurred for purchase of fixed assets which are adjusted to the carrying amount of fixed assets.

h) RETIREMENT BENEFITS

The Company contributes to Provident Fund and Superannuation Fund which are administered by duly constituted and approved independent Trust/Government and such contributions are charged against revenues every year.

Accrued liability in respect of retirement gratuities are actuarially ascertained at the year end as per the requirement of Accounting Standard – 15 (Revised) on Employee Benefits. The Company has created a Gratuity Fund under Group Gratuity Scheme of L.I.C.I. under which yearly premium is being paid to take care of current as well as past liability. The annual premium is charged to the Financial Statements.

Accrued liability in respect of leave encashment benefits on retirement is actuarially ascertained at the year end as per the requirement of Accounting Standard – 15 (Revised) on Employee Benefits and provided for in the Financial Statements.

i) INCOME

Turnover is stated inclusive of discounts, but net of sales tax and excise duty and represents the invoiced value of goods delivered during the year.

Income from installation and servicing is recognized in the Financial Statements on completion of the job or as per stipulations in the contract and the expenditure incurred but not invoiced is carried forward as work-in-progress.

j) FINANCIAL DERIVATIVES AND HEDGING TRANSACTIONS

Financial derivatives and hedging contracts are accounted for on the date of their settlement, and realized gain / incurred loss in respect of contracts is recognized in the Statement of Profit and Loss alongwith the underlying transactions.

k) BORROWING COSTS

Borrowing costs incurred in relation to acquisition or construction of assets which necessarily takes substantial period

WPIL

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2015 (contd.)

of time to get ready for intended use are capitalized / allocated as part of such assets. Other borrowing costs are charged as expenses in the year in which the same are incurred.

l) TAXES ON INCOME

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Deferred taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is calculated at current statutory income tax rates as applicable and is recognised on timing difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent period. Deferred tax assets subject to consideration to prudence are recognised and carried forward only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

m) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the Notes. Contingent Assets are neither recognized nor disclosed in the Financial Statements.

Cost of Product Warranties including provisions are included under the head "Miscellaneous Expenses", which includes cost of raw materials and components for free replacement of spares, and other overheads.

Report on the Consolidated Financial Statement

We have audited the accompanying consolidated financial statements of WPIL Limited (hereinafter referred to as “the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”) and its joint ventures comprising of the Consolidated Balance Sheet as at 31st March, 2015, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as “the Act”) that gives a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its joint ventures in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its joint ventures as at 31st March,2015, and their consolidated profit and their consolidated cash flows for the year ended on that date.

1 BASIS OF PREPARATION

The Financial Statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP). The Company has prepared Financial Statements to comply in all material respects with the Accounting Standard, notified under Section 133 of The Companies Act, 2013 read together with Paragraph 7 of the Companies (Accounts) Rules, 2014.

2. SIGNIFICANT ACCOUNTING POLICIES**a) ACCOUNTING CONVENTION**

The Financial Statements are prepared in accordance with historical cost convention, modified by revaluation of certain fixed assets.

b) FIXED ASSETS AND DEPRECIATION

Fixed Assets are stated at cost except for certain assets which were revalued and shown at valuation as per Valuer's Certificate.

Cost includes inward freight, duties, taxes and expenses incidental to acquisition and installation. In respect of self-constructed fixed assets, cost includes value of materials, labour and proportionate allocable overheads.

In respect of revalued assets the difference between written down value of assets and its valuation is transferred to Revaluation Reserve.

No depreciation is provided on Freehold Land (except for some Subsidiaries). Value of Leasehold Land is amortized over the period of lease.

With The Companies Act, 2013 ("the Act") coming into force with effect from 1st April, 2014, the Company and its Indian Subsidiary has adopted Schedule II of the Act for depreciation accounting. It has used transitional provisions of Schedule II to adjust the impact of component accounting arising on its first application. If a component has zero remaining useful life on the date of Schedule II becoming effective i.e. on 1st April 2014, then its carrying amount after retaining its residual value is adjusted to the opening balance of Retained Earnings. The carrying amount of other components, i.e. the components whose useful life is not over as at 1st April, 2014 is depreciated over the remaining useful life after retaining its residual value.

Re-estimation of useful life of Fixed Assets resulted in adjustment of Rs. 12,96,998/- in the opening balance of Retained Earnings, accounted in accordance with the transitional provisions specified in Schedule II of the Act. Had the Companies continued to use the earlier policy of depreciating fixed assets, the profit for the current year would have been higher by Rs. 39,89,484/-, Retained Earnings at the beginning of the year would have been higher by Rs. 12,96,998/- and Fixed Assets would correspondingly have been higher by Rs. 54,73,243/-.

Subject to aforementioned changes, the accounting policies have been consistently applied by the Company and are consistent with those used in the Previous Year.

Depreciation on differential increase in values arising out of revaluation is recouped from Revaluation Reserve.

Tangible Fixed Assets of Subsidiary Companies are depreciated using straight-line method over their expected useful lives as per prevalent policies of the respective Companies.

The excess of the cost to the Company of its investments in its subsidiaries over its share of Capital and Reserves of the Subsidiaries are treated as Goodwill. The Goodwill is disclosed as an asset in the consolidated Balance Sheet.

Intangible Assets are amortized to the Statement of Profit and Loss over its estimated economic life.

c) IMPAIRMENT OF ASSETS

The Company identifies impairable assets at the year end in accordance with the guiding principles of Accounting Standard – 28 issued by The Institute of Chartered Accountants of India, for the purposes of arriving at impairment

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2015

SIGNIFICANT ACCOUNTING POLICIES (contd.)

loss thereon, being the difference in the book value and the recoverable value of the relevant assets. Impairment loss, when crystallizes, are charged against revenues for the year.

d) LEASING

In Subsidiary Company(ies) the Assets obtained under hire purchase contracts and finance leases are capitalized as tangible fixed assets. Assets acquired by finance lease are depreciated over the shorter of the lease term and their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the Company. Obligations under such agreements are included in creditors net of finance charges allocated to future periods. The finance element of the rental payment is charged to the Statement of Profit and Loss so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Leases of assets under which all the risks and benefits of ownership are effectively retained by the Lessor are classified as Operating Leases. Rentals under operating leases are charged to the Statement of Profit and Loss on a straight line basis over the lease term.

e) INVESTMENTS

Non Current Investments are stated at cost unless there is a permanent diminution in value.

f) INVENTORIES

Finished Goods and Components are valued at cost (NET of CENVAT Credit) or net realizable value, whichever is lower. Other inventories are valued at cost or net realizable value, whichever is lower.

Cost is determined on weighted average basis and includes expenditure incurred in the normal course of business in bringing stocks and finished goods to their location and condition including appropriate overheads wherever applicable.

Cost of own manufactured components is determined by considering raw material cost and proportionate share of labour and overheads.

Cost of Work-in-progress is determined by considering raw material cost plus labour and overheads apportioned on an estimated basis depending upon the stages of completion, except in case of a subsidiary company where it is valued at cost or realizable value whichever is lower.

g) RESEARCH AND DEVELOPMENT EXPENSES

Revenue Expenditure on Research and Development are charged to the Statement of Profit and Loss of the year in which it is incurred. Capital expenditure is considered as addition to Fixed Assets and depreciated as stated above.

h) FOREIGN CURRENCY TRANSACTIONS

Transactions in foreign currencies are recorded at exchange rates ruling on the date of the transaction.

Monetary items denominated in foreign currencies at the year end are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognized as exchange difference and the premium paid on forward contracts is recognized over the life of the contract.

Non-monetary foreign currency items are carried at cost.

Gain or Loss on settled transactions are recognized in the Statement of Profit and Loss except for purchase of fixed assets which are adjusted to carrying amount of fixed assets. Unsettled transactions as at the year end are translated at the closing rate and the gain or loss is recognized in the Statement of Profit and Loss except for liabilities incurred for purchase of fixed assets which are adjusted to the carrying amount of fixed assets.

SIGNIFICANT ACCOUNTING POLICIES (contd.)

i) RETIREMENT BENEFITS

The Company contributes to Provident Fund and Superannuation Fund which is administered by duly constituted and approved Trust/Government and such contributions are charged against revenues every year.

Accrued liability in respect of retirement gratuities are actuarially ascertained at the year end as per the requirements of Accounting Standard – 15 (Revised) on Employee Benefits. The Company has created a Gratuity Fund under Group Gratuity Scheme of L.I.C.I. under which yearly premium is being paid to take care of current as well as past liability. The annual premium is charged to the Financial Statements.

Accrued liability in respect of leave encashment benefits on retirement is actuarially ascertained at the year end as per the requirements of Accounting Standard – 15 (Revised) on Employee Benefits and provided for in the Financial Statements.

A Subsidiary Company operates a defined contribution pension scheme and the pension charge represents the amount payable by the Company to the fund in respect of the year.

j) GOVERNMENT GRANTS

In case of a Subsidiary Company, Government Grants relating to tangible fixed assets are treated as deferred income and released to the Statement of Profit and Loss over the expected useful lives of the assets concerned. Other grants are credited to the Statement of Profit and Loss as the related expenditure is incurred.

k) INCOME

Turnover is stated inclusive of discounts, but net of sales tax and excise duty and represents the invoiced value of goods delivered during the year.

Income from installation and servicing is recognized in the Financial Statements on completion of the job or as per stipulations in the contract and the expenditure incurred but not invoiced is carried forward as work-in-progress.

l) FINANCIAL DERIVATIVES AND HEDGING TRANSACTIONS

Financial derivatives and hedging contracts are accounted on the date of their settlement and realized gain/incurred loss in respect of contracts is recognized in the Statement of Profit and Loss along with the underlying transactions.

m) BORROWING COST

Borrowing costs incurred in relation to acquisition or construction of assets which necessarily takes substantial period of time to get ready for intended use are capitalized/allocated as part of such assets. Other borrowing costs are charged as expenses in the year in which the same are incurred.

n) TAXES ON INCOME

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the applicable Income Tax Act. Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is calculated at current statutory income tax rates as applicable and is recognized on timing difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent period. Deferred tax assets subject to consideration to prudence are recognized and carried forward only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

SIGNIFICANT ACCOUNTING POLICIES (contd.)

o) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the Notes. Contingent Assets are neither recognized nor disclosed in the Financial Statements.

Cost of Product Warranties including provisions are included under the head “Miscellaneous Expenses” which includes cost of raw materials and components for free replacement of spares and other overheads.

p) PRINCIPLES OF CONSOLIDATION

The Consolidated Financial Statements relate to WPIL limited (the Company), its Subsidiaries and Joint Ventures (the Group). The Consolidated Financial Statements are in conformity with Accounting Standard 21 on “Consolidated Financial Statements” and Accounting Standard – 27 on “Financial Reporting of Interests in Joint Ventures” as notified under the Companies (Accounting Standards) Rules, 2006 and are prepared as set out below:-

- (i) The Financial Statements of the Company and its Subsidiaries are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after adjustments/elimination of inter-company balances, transactions including unrealized profit etc.
- (ii) The Consolidated Financial Statements are prepared by adopting uniform accounting policies for like transactions and other events in similar circumstances in all material respect and are presented to the extent practicable and possible, in the same manner as the Company’s separate Financial Statements.
- (iii) The difference between the costs of investments in the Subsidiaries, over its portion of equity at the time of acquisition of shares is recognized in the Consolidated Financial Statements as Goodwill or Capital Reserve as the case maybe.
- (iv) The translation of the foreign currencies into Indian Rupees (reporting currency) is performed for equity in the foreign subsidiaries and joint venture, assets and liabilities using the closing exchange rate at the Balance Sheet date and for revenues, costs and expenses using average exchange rates prevailing during the period. The resultant exchange difference arising out of such transactions is recognized as part of equity (Foreign Exchange Translation Reserve Account) by the Company until the disposal of investment.
- (v) Interest in Joint Ventures is reported using proportionate consolidation method in the Consolidated Financial Statements. A separate line item is added in the Consolidated Financial Statements for proportionate share of assets, liabilities, income and expenses.
